REGISTRATION

Participation is free of charge at
josephine.bageritz@cos.uni-heidelberg.de

Please enter: i) the name and address of the school, ii) the grade level and the number of pupils, and iii) the name and contact details of the teacher.

BASIC AND APPLIED STEM CELL RESEARCH

March 19th, 2024

9:30 - 15:00

COS Heidelberg

UNISTEM DAY 2024

The international UniStemDay is celebrated worldwide to share the fascination about these unique cells and learn about the many things we know about them - and the many things we do not!

Centre for Organismal Studies (COS) Heidelberg
University Heidelberg

German Cancer Research Center (DKFZ)

The Heidelberg Institute for Stem Cell Technology and Experimental Medicine

Heidelberg University Hospital

Supported by

SFB 1324
Mechanisms and Functions of Wnt Signaling

TUESDAY, MARCH 19TH, 2024

The Morning program will take place

In the Biquant in the seminar room SR41 (INF 267, ground floor).

The lab visits will take place in different institutes on campus - the students will be escorted to their assigned lab.
